◆ **Strategy 1: Product Research Prompts** **(Find Hidden Opportunities)**

Goal: Find profitable, fast-moving, low-competition products to source.

1. "List 10 trending household products under \$50 that are lightweight and have year-round demand on Amazon."
2. "Suggest 15 children's toys that are consistently top sellers on Amazon with a price between \$20-\$40."
3. "Give me 10 health and wellness products people repeatedly buy that are less seasonal and can be resold profitably."
4. "List 10 kitchen gadgets under \$35 that could be great for retail arbitrage in Q4."
5. "Find 10 hobby or craft items that have low seasonality and steady demand on Amazon."
6. "Suggest 10 pet products that are consistently purchased monthly on Amazon."
7. "What are 10 consumable products that have predictable reorder rates and low customer return rates on Amazon?"
8. "List 10 beauty and skincare products priced under \$30 that sell well throughout the year."
9. "Give me 10 home organization or storage products that are consistently needed across all seasons."
10. "Identify 10 giftable products that sell consistently for birthdays and events, not just holidays."

◆ Strategy 2: BOLO List Expansion Prompts (Create Sourcing Hit Lists)

Goal: Generate actionable BOLO lists for retail arbitrage and sourcing trips.

1. "Create a BOLO list of 15 toys likely to sell out during back-to-school season."
2. "List 10 board games or puzzles that stay popular year-round for sourcing."
3. "Give me 10 household cleaning supplies that are always in demand."
4. "Identify 10 outdoor or patio products that peak during summer but have steady off-season sales."
5. "Suggest 10 snack brands that are often top sellers on Amazon and could be sourced retail."
6. "List 10 health supplement products that people are buying monthly on Amazon."
7. "Name 10 kitchen or cooking appliances under \$75 that would be profitable in Q4."
8. "Give me a BOLO list of 10 baby products that sell year-round."
9. "List 10 sports and fitness items people purchase regularly (not just for New Year's)."
10. "Suggest 10 small electronics or accessories that have constant high sales volume and are easy to ship."

◆ Strategy 3: Sourcing Event / RA Trip Game Plan Prompts

Goal: Create highly targeted plans for retail arbitrage trips or trade show sourcing.

1. "Create a step-by-step retail arbitrage checklist for Target focused on toys, beauty, and home goods."
2. "Plan a retail sourcing day hitting Walmart, Kohl's, and TJ Maxx — what should I focus on at each store?"
3. "Draft a retail arbitrage schedule for a 3-day sourcing trip around major chain stores."
4. "Give me a list of store departments most likely to have profitable clearance sections during Q2."
5. "Create a store-by-store checklist of categories to scan at Marshalls, HomeGoods, and Ross."
6. "Suggest a sourcing plan for visiting 5 big-box stores to find fast-turnover inventory for Q4."
7. "Write a sourcing plan for the ASD trade show in Las Vegas with key categories to target."
8. "Draft a checklist for a road trip retail arbitrage route (5 cities in 3 days)."
9. "List 10 high-ROI categories I should focus on when sourcing at outlet malls."
10. "Plan a sourcing strategy for post-holiday clearance sales at Target, Walmart, and Best Buy."

◆ STRATEGY 4: Wholesaler Discovery Prompts

Goal: Find and connect with wholesale suppliers for scaling inventory access.

1. "List 15 U.S.-based wholesale distributors that specialize in toys and games."
2. "Find 10 wholesale suppliers for home and kitchen products that allow Amazon resellers."
3. "Suggest 10 wholesalers who specialize in beauty products willing to work with online sellers."
4. "Give me 10 wholesale companies offering brand name electronics for e-commerce resale."
5. "Identify 10 wholesalers that distribute grocery and snack items."
6. "List 10 suppliers that offer baby and maternity products wholesale."
7. "Find 10 wholesale suppliers in the pet supplies niche who allow Amazon resale."
8. "Suggest 10 apparel wholesalers with low minimum order requirements."
9. "Identify 10 suppliers that sell seasonal products like Christmas decorations at wholesale prices."
10. "Give me 10 health supplement wholesalers that have established Amazon resale programs."
